Consumption

BE ENTERTAINED FOR MILES

The GEELY EX5 EM-i's Flyme Auto system delivers a seamless, connected experience with an intuitive 3-screen layout

Remote Start & Pre-Conditioning

Keyless operation lets you start your engine and cool down your cabin before you even step inside

15W Wireless Charging

Driver's seat equipped with wireless charging

Seamless Connectivity

Full 4G connectivity with Apple CarPlay and Hi GEELY App smartphone integration

EVERY MILE, IN HARMONY

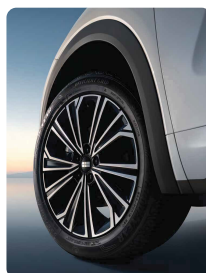

The GEELY EX5 EM-i features a global aesthetic and head-turning design, with an ultra-low drag coefficient that delivers improved efficiency and quieter performance

LED Headlights

Striking illumination with modern styling

Alloy Wheels

Premium designs that complement the bold exterior design

Stylish Tail Lights

Distinctive signature that commands attention
